Happy Saturday All Melrose BID Board Members...

1 - During our regular meetings the Board has agreed that the Melrose BID should propose the installation of West Hollywood-like, "high-visibility continental crosswalks" at the intersections of Stanley (near Starbucks) and Orange (near The Window, Lorca Cohen's business between La Brea and Highland). On Thursday, I was meeting with a member of Councilman Koretz's staff on a Bureau of Sanitation question and he said "if there's anything else we can do for you, please let me know." I asked about the crosswalks and he submitted our request as shown below. We can discuss this more at our next Board meeting.

2 - Please remember to attend the Melrose BID Neighborhood Mixer that will also recognize Councilman Paul Koretz for his leadership in promoting the BID and Melrose' revitalization. It's at 9:30 AM on Sunday, December 4 (TOMORROW), at Vinoteque Restaurant at 7469 Melrose. Isack is out of town but we are hoping that the other Board Members will attend.

Thanks Joseph...

Many residents in the area would, I'm sure, like to add their support to this request. Is this the appropriate time to submit a petition in support of the requested crosswalks?

We hope to see you on Sunday on Melrose. 9:30 AM @ Vinoteque Restaurant @ 7469 Melrose Ave.

Hello Donald,

It was a pleasure meeting you today. I've submitted two crosswalk requests at Melrose and Stanley and Melrose and Orange. The service request numbers are 71021 and 71022. You can check the status of these requests at <http://myladot.lacity.org/sr/ladohtml5viewer/>.

LADOT will notify us when the study is complete and what their determination will be. Please feel free to check in with John or myself if you have any questions.

Sincerely,
